Dear Friends,

April 2020

Potter's Ranch is a Christian Ministry located in Northern Kentucky. This 650 acre wilderness retreat near the Ohio River serves thousands of people every year. Just as there are many different needs and struggles people deal with, we create programs to support and help those various areas through: experiences, camps, workshops, retreats, seminars, outdoor adventures, equine therapy, and enrichment programs.

Our mission statement is that "Potter's Ranch exists to promote the Kingdom of God and the life principles contained in the Bible, with Christ as our example." And we ensure every program we do, or group we serve honors that mission. Whether we are impacting people through Leadership Development Programs, giving hope and love to At-Risk Youth, or using God's animals for therapy in Horses for Heroes, we ensure every program while fun and engaging is wrapped in prayer, His love, and truth to help enrich the hearts, lives and souls of mankind.

The Lord continues to do great things at Potter's Ranch, leading our team to put together our Kids Quest Summer Camps, which have impacted hundreds of kids, families, counselors and staff every year through Adventure Camp, Horse Camp, Conservation Camp, and Dyslexia Camp. Scholarship support is greatly needed for families to have their kids get the hands on tutoring and academic support for Dyslexia during the summer at Potter's Ranch.

**This FUNdraiser, and the money that is raised, will go to help kids, families, and programs mentioned above. We greatly appreciate and need your support!**

We would love the opportunity to share more about Potter's Ranch and this upcoming event with you. Should you have further questions, you may contact our office at (859) 586-5475 and speak with Tony Vornberger.

Your thoughtful consideration is appreciated.
